Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

My object is to assist our blinded heroes, and if some invalid soldiers derive an hour s relaxation from these pages, I shall be amply rewarded for the many hours which I have given to the writing of them. The informal character of the book, which has been written from diaries and letters, seems to render it inappropriate to refer otherwise than casually to many friends and companions of former days; and for the same reason I have avoided set descriptions of the countries which I have...
