If God breathed the stars into existence and He knows the exact number of hairs on your head, then He knows your birthday. Numbers don t change and are universal in definition. However, words can often change in meaning. God has created you on a specific birth date that directly correlates to scripture in the Bible. As created beings we are all interested in how things relate to us. God speaks to us through the Bible and it is important to know that He speaks life into every circumstance. You can find out what it says about you because of the date you were born; and other significant dates in your life. For the Word of God is full of living power. It is sharper than the sharpest knife, cutting deep into our innermost thoughts and desires. It exposes us for what we really are. Nothing in all creation can hide from Him. Everything is naked and exposed before His eyes. This is the God to whom we must explain all that we have done. -Hebrews 4:12-13.
