Reviews

The ebook is not difficult in study preferable to understand. it was writtten quite flawlessly and beneficial. You are going to like just how the author compose this book.
(Leola Smith)

THE THUMB IN THE BOX

Groundwood Books. Paperback / softback. Book Condition: new. BRAND NEW, The Thumb in the Box, Ken Roberts, Leanne Franson, Leanne Franson, Leon and his friend Susan live in New Auckland, an isolated village on the northwest coast of British Columbia. One day, the village receives an unexpected gift from the government -- a fire truck. The problem is that mountains surround the village. There are no roads, no cars, and no fire hydrants. The man who comes to build the fire station brings with him a practical joke that scares the wits out of Leon and Susan -- a real live wiggling thumb. It's a toss-up as to which object will leave a bigger impact on the villagers -- the first vehicle they've ever seen or the bizarre appendage.
