Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Synopsis: New Testament Greek Primer has established itself among Greek instructors as a popular and dependable guide to the Greek of the New Testament, appreciated for its accuracy, coverage, and well-designed exercises. Students appreciate easy-to-read explanations, English grammar bridges, user-friendly layout, and copious tables, charts, and indexes. Retaining the basic form and content, the third edition builds on this solid reputation with enhanced discussion, organization, examples, and exercises. The appendix on English grammar aids English-challenged students. Pictures from the author s extensive travel overseas illustrate the ancient Greco-Roman context of the Greek New Testament. Other resources include language lessons elaborating translation and morphology issues, convenient vocabulary reviews anticipating vocabulary exams, an answer key, and indexes of vocabulary, principal parts, paradigms, and subjects. The method is deductive and the goal focused on grammar and exegesis. An early emphasis on the noun system transitions to the principal parts of the verb, followed by moods, infinitives, and participles. Two lessons on the MI-verb system conclude the work. Examples and exercises are taken directly from the Greek New Testament. Endorsements: Gerald Stevens New Testament Greek Primer is a superb textbook for guiding students along the journey of learning Koine Greek grammar . . . Incorporation into the text of material often relegated to a separate workbook enhances the value and usefulness of the Primer, a feature appreciated by my students. With the inclusion of supplementary material in the form of photographs and discussions of archaeological artifacts, Stevens facilitates the employment of the best practices for Koine Greek language instruction, demonstrating how the language lived outside the New Testament text. --Richard Warren Johnson East Texas Baptist University In this latest...
