Lion Hudson Plc. Paperback. Book Condition: new. BRAND NEW, The Liberating Truth: How Jesus Empowers Women, Danielle Strickland, Danielle Strickland contends that women everywhere remain subjugated by cultural norms that tell them to conform, hold back, and turn aside from God's call upon their lives. Consequently many women fail to play a full part in the healing and restoration of society. The church should take the lead. In this prophetic book Danielle observes: "We should be the ones who model an alternative approach to leadership. We are the ones with the Bible and the witness of the Holy Spirit who through Scripture, reason, tradition and experience has shown, over and over again His heart for the release of women to exercise their gifts." The book covers: The current situation (exploitation or subjugation); the historical situation (feminism and the Christian tradition); key biblical material; justice (the feminization of poverty); what does the future offer, and what should the church do?.
