## The Animals' Winter Sleep

By Lynda Graham-Barber, Nancy Carol Willis

Birdsong Books. Paperback. Book Condition: new. BRAND NEW, The Animals' Winter Sleep, Lynda Graham-Barber, Nancy Carol Willis, This book is suitable for ages 4 to 8 years. Taking non-fiction into the realm of bedtime read-to-me stories, this rich, melodic text paired with detailed colour pencil illustrations describes how 13 North American animal species - such as black bear, ermine, pileated woodpecker, porcupine, river otter, and ruffed grouse - survive harsh winter snows snug inside their dens, nests, burrows, and lodges. Additional information, geared to very young children, includes animal winter survival adaptations, such as the foods they eat, nesting materials, camouflage, and predator survival along with a series of questions that encourage children to look back at the illustrations for clues. A line art diagram of the final panorama illustration that identifies the location of all 13 animal species is also included.
