Reviews

Complete guide! Its this sort of good read. It is rally exciting throug studying period. I am just pleased to explain how here is the very best publication i have go through inside my own existence and could be he very best publication for at any time.

(Adele Rosenbaum)

THE RED MARKET: ON THE TRAIL OF THE WORLDS ORGAN BROKERS, BONE THIEVES, BLOOD FARMERS AND CHILD TRAFFICKERS

Hachette, Gurgaon, 2011. Soft cover. Book Condition: New. 22 cms. xvi+254pp. An in-depth report that takes readers on a shocking tour through a macabre global underworld where organs, bones and live people are bought and sold on the red market. Investigative journalist Scott Carney has spent five years on the ground tracing the lucrative and deeply secretive trade in human bodies and body parts ? a vast hidden economy known as the ?red market. From the horrifying to the ridiculous, he discovers its varied forms: an Indian village nicknamed ?Kidneyvakkam because most of its residents have sold their kidneys for cash; unscrupulous grave robbers who steal human bones from cemeteries, morgues, and funeral pyres for anatomical skeletons used in Western medical schools and labs; an ancient temple that makes money selling the hair of its devotees to wig makers in America ? to the tune of \$6 million annually. The Red Market reveals the rise, fall, and resurgence of this multibillion-dollar underground trade and explores how advances in science have increased the demand for human tissue ? ligaments, kidneys, even rented space in womens wombs ? leaving little room to consider the ethical dilemmas inherent in the flesh-and-blood trade. Tragic, voyeuristic and thought-provoking, The Red Market is an eye-opening look at a little-known global.
