Through a Window: My Thirty Years with the Chimpanzees of Gombe

By Jane Goodall

Cengage Learning, Inc. Paperback / softback. Book Condition: new. BRAND NEW, Through a Window: My Thirty Years with the Chimpanzees of Gombe, Jane Goodall, "Through a Window" is the dramatic saga of thirty years in the life of an intimately intertwined community--one that reads like a novel, but is one of the most important scientific works ever published. The community is Gombe, on the shores of Lake Tanganyika, where the principal residents are chimpanzees and one extraordinary woman who is their student, protector, and historian. In her classic "In the Shadow of Man," Jane Goodall wrote of her first ten years at Gombe. In "Through a Window" she brings the story up to the present, painting a more complete and vivid portrait of our closest relatives. We watch young Figan's relentless rise to power and old Mike's crushing defeat. We learn how one mother rears her children to succeed and another dooms hers to failure. We witness horrifying murders, touching moments of affection, joyous births, and wrenching deaths. In short, we see every emotion known to humans stripped to its essence. In the mirror of chimpanzee life, we see ourselves reflected.

Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.
