It begins in New Mexico's Petroglyph National Monument where Jarod's mom is painting illustrations of its rock art. Soon they are overwhelmed by the number of drawings on the black volcanic rocks of the monument. Who made all these figures What do they say Is it possible that Jarod and Omega can interpret their meanings Their vintage orange VW camper bus takes them up to Dinosaur National Monument in Utah on the trail of even more amazing rock art. On redrock walls near Rainbow Park they are startled by the life-size images of strange ancient Fremont people who give them an important message about how they must help stabilize the Earth during these unstable times. They learn the Fremonts are not Indians but a high-tech race using levitation devices to locate water and precious minerals. To carry out their mission Jarod and friends must 'follow the rainbow to find center Earth' down...
