Christian World Imprints, New Delhi, 2015. N.A. Book Condition: New. First. 23 cms. xviii+229pp. This book contains short articles on reason (science) and religion (spirituality) meant for a general audience, who may or may not be organisationally religious. They are meant to inspire a band of young and old women and men to think deeply about themselves, leading to deeper insights and wisdom. It is the author's conviction that genuine spirituality is open-ended and reaches to the other in love and compassion. Open-minded and visionary, these articles are meant to touch the daily life of busy people who are fully involved in the struggle and success of daily life. So, the articles are limited to 625 words. They attempt to enhance the precious and vulnerable life by reaching out to others. It assumes that only when we can maintain the healthy tension between the spiritual and material aspects of life, we become more authentic. These articles appeared in the "My Mind" Op-Ed Column of Financial Chronicle.
