CIVIL SERVICE LAW

Field Press. Hardcover. Book Condition: New. Hardcover. 304 pages. Dimensions: 8.7in. x 5.6in. x 1.0in. CIVIL SERVICE LAW by OLIVER P. FIELD. Originally published in 1939. PREFACE: It is the authors hope that personnel officers and draftsmen of laws and ioMs for the improvement and operation of public administration will find this volume of some aid. It is primarily for them that the book has been written. The original plan for this work included a wider use of tke reports of administrative decisions, but as work progressed it became clear that to complete it within a reasonable period of time, and to keep it within the desired compass, only the federal materials from the attorney gen eral, comptroller general, and comptroller of the treasury could be con sulted. The author is indebted to the Social Science Research Council and to the Fluid Research Fund of the Graduate School of the University of Minnesota for grants in aid of this study, and to the Committee or Train ing for Public Administration for financial assistance which made pos sible the publication of the book. In the preparation of this volume the author has been encouraged and helped by Professor Morris B. Lambie of the Department of Govern ment of Harvard University, and Professor Lloyd M. Short of the De partment of Political Science of the University of Minnesota. Professor Short read the manuscript and made helpful suggestions for its improve ment. Mr. George Peterson and Mr. Joseph Maun, both of the Minnesota bar, and Mr. Malcolm Moos, of the staff of the Municipal Reference Bureau of the University of Minnesota, have assisted at various stages in the preparation of the book. Mr. Eugene B. Altschul has verified all the citations. No one knows as well as the author that the likelihood of errors...
