Unraveling the Spider's Net (Paperback)

By Nancy Carlisle Schumacher

Xlibris Corporation, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. People are important. Although some persons may consider that people with disabilities cannot live ordinary lives, as long as they believe in themselves, they will survive. Never allow a person or a situation to overpower you. These words are as true today as they were when my father said them to me in 1945, when he realized that epilepsy would be with me for life. Since then I have had five hip surgeries, cancer, cataract surgery, and several other physical problems that could be considered disabling. Yet, I have obtained two bachelor's degrees, one in Education and the other in Fine Arts, a Masters degree in the Science of Psychology, and am now enrolled in a Doctorate program at Walden University in Health Psychology. We have had several deaths in the family in the past few years, and the birth of my great-granddaughter, Sania Machele Schumacher-Drink this past May. Life is always changing, so why should people show bias to those who have Epilepsy, Depression, or Parkinson's disease simply because they are not understood?...
