LOOPERS: A CADDIE'S TWENTY-YEAR GOLF ODYSSEY

Broadway Books, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for John Dunn's Loopers "Author John Dunn could have made his memoir of life on the links the literary equivalent of nine holes: Drop some A-list names, recall some Caddyshack -worthy shenanigans, then head to the clubhouse. Instead, he made a full round of his peripatetic tale, elegantly capturing not only the breathtaking views along the world's top courses but the inner landscape of the players irresistibly drawn to the game." --American Way "[A]n engaging and surprisingly gritty approach to the sport's literature." --Bookpage "Will appeal to fans of the Caddyshack films and to those who revere the wisdom of the locker room." --Kirkus Reviews "Dunn found a vigorous and vital way of life which comes through clearly in his words. He caddies with no anticipation of wealth but at the same time it's clear he knows of the job's compensating values - walking through nature and playing golf courses, some of which are as beautiful as any place in the world." --BunkerShot " Loopers is a wildly original journey through the golf world, and a fascinating glimpse into the secret lives of caddies. John Dunn is the perfect tour guide--by turns droll and introspective, imbued with a reverence for the game and a heroic wanderlust that takes him to many of golf's sacred spots. Reading this wonderful book made me want to fall in love with golf again.and to hit the road, in search of the adventure and self-discovery that Dunn found." -- Alan Shipnuck, author of Bud, Sweat & Tees and co-author of The Swinger "John Dunn turns toting the golf bags of the rich into an evocative and often very funny meditation on class and purpose. The serendipity he...
