Anthem Press, 2011. Hardcover. Book Condition: New. 15.2 x 22.9 cm. "This volume brings together sixteen articles on the religions, literatures and histories of South and Central Asia in tribute to Patrick Olivelle, one of North America's leading Sanskritists and historians of early India. An exceptionally prolific scholar, Olivelle's best-known works include 'Manu's Code of Law (2005), 'The Early Upanisads' (1998) and 'The Āśrama System' (1993). Over the last four decades, the focus of his scholarship has been on the ascetic and legal traditions of India, but his work as both a researcher and a teacher extends beyond early Indian religion and literature. [Title] is a testament to that influence. The contributions in this volume, many by former students of Olivelle, are committed to linguistic and historical rigor, combined with sensitivity to how the study of Asia has been changing over the last few decades. Several of the essays examine the construction of religious and cultural identity (whether among Brahmins, Buddhists, Dalits, or Muslims), while others are concerned particularly with problems of historical reconstruction and textual interpretation."--P [4] of cover. Our orders are sent from our warehouse locally or directly from our international distributors to allow us to offer you the best possible price and delivery time. Book.
